

Hi Everyone

It's that time again, the August UJUG meeting is this Thursday, August 20, starting at 5:30 PM.

Make sure you RSVP so we purchase enough pizza and soft drinks. The URL to RSVP is http://www.ujug.org/web/index.php?option=com_attend_events&task=view&id=27

Note: We are now meeting at the **IHC Intermountain Medical Center in Murray**, for directions see this page: <http://www.ujug.org/web/content/view/117/34/>

You are not going to want to miss this months presentations, first up is **Scott Lewis** talking about **Drolls** (no there will not be a presentation on **Drolls**, thanks to Ian for catching that one in my last email) up next is **James Ward** talking about **Java and Flex**. For presentation abstracts and presenter bios, check out the August page on [ujug.org](http://www.ujug.org/web/content/view/127/1/): <http://www.ujug.org/web/content/view/127/1/>.

We've got three breakouts for you this month:

- * **Java Certification** – with Don Bogardus
- * `java.community.events` – with Chris Hansen
- * **Flex** – with James Ward

If any of these breakouts sound interesting to you, come on out to the meeting this month and check them out.

This months door prizes include:

- * Books courtesy of O'Reilly
- * TekSystems goodies
- * IntelliJ License courtesy of JetBrains (<http://www.jetbrains.com/idea/>)
- * JavaRebel license courtesy Zero Turnaround (<http://www.zereturnaround.com/javarebel/>)

For a detailed agenda, check out the UJUG website: <http://www.ujug.org/web/content/view/127/1/>
