

Hi Everyone

It's that time again, the July UJUG meeting is this week, in two days to be exact :-)

Make sure you RSVP so we purchase enough pizza and soft drinks. The URL to RSVP is [http://www.ujug.org/web/index.php?option=com\\_attend\\_events&task=view&id=26](http://www.ujug.org/web/index.php?option=com_attend_events&task=view&id=26)

**Note:** We are now meeting at the **IHC Intermountain Medical Center** in **Murray**, for directions see this page: <http://www.ujug.org/web/content/view/117/34/>

*We've got a lineup change for you this month, July is now **ORM night!***

You are not going to want to miss this months presentations, first up is yours truly (**Chris Maki**) talking about **What's new in JPA 2.0** followed by **Orion Letizi** of Terracotta talking about **Three Techniques for Database Scalability with Hibernate**. You can find out more about Terracotta here. For presentation abstracts and presenter bios, check out the July page on ujug.org: <http://www.ujug.org/web/content/view/125/1/>.

We've got three breakouts for you this month:

- \* **Java Certification** – with Don Bogardus
- \* `java.community.events` – with Chris Hansen
- \* Terracotta – with Orion Letizi

If any of these breakouts sound interesting to you, come on out to the meeting this month and check them out.
